

Mr Altay Altuntas

MBBS FRACS FAOA

Orthopaedic Surgeon

Mr Altay Altuntas is a Specialist Orthopaedic Surgeon with a focus on conditions of the knee. He guides patients to optimise non-surgical treatment and prepare patients to get the best outcome from surgery.

Altay is experienced in sports knee injuries, performing ACL reconstructions, patella knee cap stabilisation and knee arthroscopy.

Altay is experienced in all surgical treatments for osteoarthritis of the knee and hip. He performs robotically assisted knee replacement surgery and is a SuperPATH hip replacement surgeon. He has also completed advanced fellowship training in surgery of the foot and ankle.
