

Mr Anthony Hyett

MBBS FRACS

Breast/General Surgeon

Mr Anthony Hyett graduated from Melbourne University Medical School in 1987 and completed his residency at St Vincent's Hospital Melbourne. In 1990 he was appointed as a Melbourne University anatomy demonstrator and also tutor at St Hilda's and Ormond College in anatomy and physiology. In 1997, he completed the 2nd part examination in general surgery and was awarded his FRACS. He then completed a further 3 years post fellowship with subspecialisation in breast surgery in London. He was appointed to the Breast Units at Austin Health and Western Health in 2001. In the same year commenced a private practice which has grown into a busy side of his overall practice. In 2004 Anthony was appointed as a VMO surgeon to St Vincent's Breast Screen. He has further formal training in 2001 with sentinel node surgery, in 2004 with breast ultrasound training, in 2010 operative breast oncological training in Milan and also in 2012 the new operative technique of skin and nipple sparing mastectomy technique. Anthony has been actively involved with general surgical registrar training and was one of the original 5 surgeons involved with the creation of the Young Melbourne Breast Surgeons Study and Literature Review Group in 2002.
