

Mr Anand Ramakrishnan

MBBS MD MPH FRACS

Plastic, Reconstructive and Craniofacial Surgeon

We are delighted to introduce Mr Anand Ramakrishnan: Plastic, Reconstructive and Craniofacial Surgeon at St Vincent's Private Hospital Kew.

Anand offers treatment in both public and private hospitals.

Anand's main consulting rooms are located in Kew, near to St Vincent's Private Hospital Kew.

Subspecialty interests include:

- Reconstructive microsurgery for head and neck reconstruction
- Facial fracture management
- Skin cancer surgery
- Hand surgery

Anand has a fellowship in Microsurgery through the Bernard O'Brien Institute of Microsurgery as well as a Doctorate of Medicine for work on Stem Cell biology through the University of Melbourne. He is a member of Interplast Australia and New Zealand and devotes time each year to performing reconstructive surgery through the Asia Pacific region. He has a Master of Public Health in International and Refugee Health through the McFarlane Burnett School of Public Health, Monash University.

Anand is a Fellow of the Royal Australasian College of Surgeons, Australian Society of Plastic Surgeons (ASPS), International Member of the American Society of Plastic Surgeons (IMASPS) and the American Society of Maxillofacial Surgeons (ASMS).
