

Dr Anita Boecksteiner

MBBS, Dip Anat, FRACS, ORTHO

Orthopaedic surgeon

We are delighted to introduce Dr Anita Boecksteiner at St Vincent's Private Hospital Fitzroy.

Dr Boecksteiner is a Consultant Orthopaedic Surgeon, Limb & Joint Reconstruction in a full time private practice. Anita's consulting rooms are located in Brunswick and operates at St Vincent's Private Hospital Fitzroy and also at Coburg.

Anita's Orthopaedic and Surgical treatments include limb and joint reconstruction, of the Knee, Shoulder, Hip and Ankle/Foot, focusing on repair, reconstruction, preservation of cartilage and joint function, and effective validated surgical treatments for arthritis, sports injuries, trauma, non unions, and congenital defects.

Subspecialty interests include:

- Limb reconstruction surgery
- Sports injury reconstruction
- Arthroscopy

Anita is an active member of the Australian Orthopaedic Association (AOA), the Royal Australian College of Surgeons (RACS), and the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine(ISAKOS).
