

Mr Austin Vo

MBBS, FRACS (Orth), FAOrthA

Orthopaedic Surgeon

We are delighted to introduce Mr Austin Vo: Orthopaedic Surgeon at St Vincent's Private Hospital Werribee.

Austin offers treatment in both public and private hospitals. Austin's expertise covers the whole range of shoulder and knee conditions from sports injuries such as shoulder instability and knee ligament reconstruction, to joint arthroplasty including modern techniques such as reverse shoulder arthroplasty and Mako Robotic knee replacement.

Austin consults from rooms in Werribee in addition to his main consulting rooms near St Vincent's Private Hospital East Melbourne.

Subspecialty interests include:

- Arthroscopic rotator cuff repair
- Arthroscopic surgery for shoulder instability
- Latarjet procedure
- Impingement syndrome and subacromial bursitis
- Total and reverse shoulder replacement
- Total knee replacement (Primary, complex and revision)
 - MAKO Robotic partial knee replacement
- Knee arthroscopy
 - ACL reconstructions
- Meniscus surgery

Austin has completed Fellowships in Oxford, France and Canada with world-renowned surgeons. He has professional associations with the Australian Orthopaedic Association (AOA), American Academy of Orthopaedic Surgeons (AAOS) and the International Society of Arthroscopy, Knee and Orthopaedic Sports Medicine (ISAKOS).

Austin is happy to see all TAC and Work Cover patients.
