

Dr Marcia Bonazzi

MBBS FRANZCOG

Obstetrician/Gynaecologist

Dr Marcia Bonazzi works at St Vincent's Private Hospital Fitzroy.

Marcia is a member of the Australian Gynecological Endoscopy Society (AGES) and the Australian Menopause Society and is fluent in Italian, Spanish and Portuguese.

She gained her FRANZCOG in 2003, having spent time training in Italy and Brazil as a Specialist Women's Obstetrician and Gynecologist.

Marcia has admitting rights as a private specialist Consultant Obstetrician and Gynecologist at St Vincent's Private Hospital Fitzroy, and also admits to hospitals in East Melbourne and Parkville. Dr Bonazzi also has a public appointment at The Royal Women's Hospital.

In addition to obstetrics, Dr Bonazzi's interests include menopausal medicine, general gynecological surgery (including laparoscopic surgery), colposcopy and the new Mona Lisa Touch, a non-invasive treatment for the symptoms of Vaginal Atrophy.

Other Languages spoken:

Italian, Spanish and Portuguese
