

Mr Damien Grinsell

MBBS, FRACS (Plas)

Plastic and Cosmetic surgeon

We are delighted to introduce Mr Damien Grinsell at St Vincent's Private Hospital East Melbourne.

Mr Grinsell's main consulting rooms are located in Essendon, with additional rooms located in the Consulting Suites at St Vincent's Private Hospital East Melbourne.

Damien is one of Australia's pioneers in perforator flaps used for microsurgical reconstruction of a range of complicated defects.

Damien is a member of the Royal Australian College of Surgeons and Australian Society of Plastic Surgeons and is an avid advocate of plastic surgical teaching including multiple charity Interplast missions to Nepal.

Subspecialty interests include:

- Aesthetic rejuvenation of the breast, face and nose
- Autologous breast reconstruction
- Tissue expander and implant reconstruction
- Breast reduction/lift
- Breast augmentation

Damien has been an invited presenter at numerous national and international conferences and has more than 60 journal articles and book chapters published on a range of topics in international journals.
