

## A/Prof. Gavin Wright

*MBBS (Melb) FRACS PhD*

### Thoracic Surgeon.

We are delighted to introduce Mr. Naveed Alam at St Vincent's Private Hospital Melbourne.

Gavin offers treatment in both public and private hospitals. He is known for innovation in minimally invasive thoracic surgery, particularly complex VATS lung resections and robotic thymectomy for thymomas and myasthenia gravis.

Gavin's main consulting rooms are located in Fitzroy, near to St Vincent's Private Hospital Fitzroy.

Subspecialty interests include:

- Thoracoscopic (VATS) and Robotic Minimally Invasive Surgery of the Chest
- Endobronchial surgery (stents, laser, dilatations, EBUS)
- Tracheal surgery
- Thymic surgery
- Lung cancer research (clinical trials and translational laboratory research)

Over the last decade, Gavin has augmented his extensive thoracic surgical experience with multiple research projects and collaborations. He has published over 100 peer-reviewed journal articles and has been invited speaker at multiple national and international conferences, including the World Conference on Lung Cancer.
