

Mr Julian Liew

MBBS FRACS

Reconstructive and cosmetic surgeon

We are delighted to introduce Mr Julian Liew at St Vincent's Private Hospital East Melbourne.

Julian is a highly qualified, Australian-trained Specialist Plastic and Reconstructive Surgeon certified by the Royal Australasian College of Surgeons.

Julian offers treatment in both public and private hospitals and he is enthusiastic and passionate about teaching through his public hospital appointments at Northern Health and Austin Health. Julian is the supervisor of Plastic Surgery training at Austin Health.

Julian consults in rooms in the St Francis Building adjacent to St Vincent's Private Hospital East Melbourne.

Subspecialty interests include:

- Skin Cancer Surgery
- Carpal Tunnel & Cubital Tunnel Surgery
- Hand Surgery
- Microsurgery
- Breast Reconstruction & Aesthetic Breast Surgery

Julian has professional affiliations with the Royal Australasian College of Surgeons (RACS).
