

## Dr Emma Readman

*MBBS, FRANZCOG, AMA, AGES board member*

### Gynaecology, Laparoscopic and Hysteroscopic Surgery

Dr Emma Readman works at St Vincent's Private Hospital Fitzroy.

Emma Readman completed her 2-year fellowship in advanced laparoscopic surgery and is head of the Endosurgery B Unit and Outpatient Hysteroscopy Unit at Mercy Hospital for Women, Melbourne.

She is actively involved in research and teaching, and is an honorary lecturer with the University of Melbourne. Emma enjoyed a sabbatical in 2014 in France, Belgium and Italy studying endometriosis, laparoscopic and Hysteroscopic surgery. Emma has been visiting Mongolia for the last 10 years by invitation of the Mongolian Society for Gynaecological laparoscopy, and has been teaching and operating there.

She was recently awarded the silver friendship medal by the Mongolian President, the highest honour given to foreigners in Mongolia. Emma has published widely and is a board member of the Australasian Gynaecological Endoscopy and Surgery Society.

Subspecialty interests include:

- Advanced laparoscopic and hysteroscopic surgery
- Endometriosis
- Fibroid surgery
- Laparoscopic Hysterectomy
