Specialist Plastic Surgeon (Aesthetic & Reconstructive)

We are delighted to introduce Mr Jeremy Richardson at St Vincent's Private Hospital Kew.

Mr Jeremy Richardson is an Australian-trained Specialist Plastic Surgeon. After completing his FRACS(Plast) training in Melbourne, he undertook further subspecialty training in Oxford and London, UK, in: head/neck, breast, cleft, and aesthetic plastic surgery.

Mr Richardson privately consults in South Yarra, Melbourne CBD, Carlton, Berwick, and Warragul.

He welcomes routine and urgent referrals, including DVA, WorkCover and TAC patients, with the following needs:

- Facial aesthetic & reconstructive surgery (brow, eyelids, face, nose, ears, neck)
- Breast aesthetic & reconstructive surgery
- Abdominoplasty & body contouring
- Trauma & burns reconstruction
- Skin cancer and scar revision
- Hand surgery
- Non-surgical rejuvenation

Mr Richardson is committed to surgical excellence and providing personalised patient care with integrity and safety. He is married with two children, and enjoys teaching, and providing surgical care in less-developed regions, including Thailand, Yemen, Pakistan and PNG.
