

Mr Stephen Salerno

MBBSHons, FRACS(Plas)

Cosmetic & plastic reconstructive surgeon

We are delighted to introduce Mr Stephen Salerno at St Vincent's Private Hospital Werribee.

Stephen offers treatment in both public and private hospitals. He has a special interest in skin cancers, cosmetic and reconstructive.

Stephen is a highly skilled Plastic and Reconstructive Surgeon with extensive experience. To meet the growing demands for specialist work in this area, Stephen has consulting suites in Werribee and Moonee Ponds.

Stephen has operated at St Vincent's Private Hospital in Werribee from the time of opening, offering an extensive range of services. Some of the procedures offered will be excision and reconstruction of skin cancers including melanoma, hand surgery, such as carpal tunnel release, trigger finger release, Dupuytren's and ganglions. He also performs cosmetic procedures including abdominoplasty, breast surgery, otoplasty and body contouring surgery for post weight reduction patients

Subspecialty interests include:

- Skin cancers
- Hand Surgery
- Melanoma
- Body Contouring Surgery

Public Hospital Appointments:

Western Health, The Alfred, Dandenong Hospital.
