

Mr Siva Chandrasekaran

MBBS (Hons) BScMed (Hons) FRACS FAOA FICS

Orthopaedic Surgeon

Dr Siva Chandrasekaran works at St Vincent's Private Hospital Fitzroy, East Melbourne and Werribee.

Siva is a consultant orthopaedic surgeon specialising in advanced techniques and accelerated rehabilitation following arthroscopic and joint replacement surgery of the hip and knee.

Siva's consulting rooms are at St Vincent's Private Hospital Werribee. He also consults in St Kilda East.

Subspecialty interests include:

- Hip arthroscopy
- Anterior total hip replacement
- Robotic hip replacement surgery
- Robotic knee replacement surgery
- Key hole surgery for abductor and hamstring tears

Siva is committed to research and teaching being actively involved in the education of medical students, orthopaedic trainees and international orthopaedic fellows as well as an ongoing number of peer reviewed publications in the field of hip arthroscopy and robotic surgery.

He has professional associations with The Australian Orthopaedic Association (AOA), Royal Australasian College of Surgeons (RACS) and the International College of Surgeons (ICS).
