

## Mr Yi Chen Zhao

*MBBS, PhD, FRACS*

### ENT Head and Neck Surgeon

We are delighted to introduce Mr Yi Chen Zhao: ENT Head and Neck Surgeon at St Vincent's Private Hospital, East Melbourne and Werribee.

Dr Yi Chen Zhao is a Melbourne trained ENT surgeon. After completing basic surgical training he obtained his PhD through the University of Melbourne and completed his specialist ENT Head and Neck training after rotations through major Victorian metropolitan hospitals.

Yi has undertaken additional sub-specialist Fellowship training in managing disease of the nose and paranasal sinus as well as complex rhinoplasty. Yi currently holds public appointments where he is also actively involved in teaching and research.

He is a Fellow of the Royal Australasian College of Surgeons, a member of the Australasian Society of Otolaryngology Head and Neck Surgery as well as the Australasian Academy of Facial Plastic Surgery. Yi presents at national and international meetings as well as having published in several peer reviewed journals.

Yi manages general adult and paediatric ENT conditions including disease of the tonsils, adenoids and paediatric ear conditions.
