

## Mr Kemble Wang

MBBS (Hons) BMedSci FRACS FAOrthA

### *Orthopaedic Surgeon*

Mr Kemble Wang is an Australian and USA-trained upper limb orthopaedic surgeon with specialist interest in adult, adolescent, and paediatric shoulder/elbow/wrist reconstruction.

Kemble has undertaken multiple sub-specialty fellowship training including in Melbourne, Boston Children's Hospital (Harvard University), Minnesota, and New York. Kemble is committed to high quality and compassionate care for his patients. He places strong emphasis on clear communication and will explain to his patients all their options, including surgical and non-surgical treatments available.

Kemble welcomes DVA, TAC, Workcover, public and privately insured patients. Kemble is actively engaged in the latest orthopaedic upper limb research to ensure his patients are always provided with the most up to date information and treatment for their conditions.
